# FLUSHING SYSTEM

## NO WATER PRESSURE LIMIT

built-in large capacity water tank and pressure-boosting system ensure strong flushing at any time, regardless of water pressure.

## HURRICANE FLUSH SYSTEM

- 360° powerful bowl coverage
- Residue-free, easy to maintain
- Rimless design reduces hidden stains
- Durable, high-performance flush valve

#### IMPORTANT :

1. These measurements are subject to change or cancel. No responsibility is assumed for use of superseded or voided pages.
2. Please consult the manufacturer for confirmation of detailed dimensions for building construction purposes.
3. Due to the printing process, the colors of the actual products may differ from those pictures. For true color matching purposes, please refer to chip color samples.
4. For Special Order (SO) items, the minimum order quantity is 10 units for basins and 50 units for WC models. The production lead time is approximately 8-10 weeks, depending on stock availability.
